

## **F3 Webinar: Insects in Aquafeed**

*Top insect producers will discuss recent breakthroughs and challenges ahead for fishmeal replacement*

The F3 – Future of Fish Feed will convene a panel of the world’s leading insect producers to discuss the latest in fishmeal replacement for aquafeed and their ability to meet the growing demand for alternative protein sources. The hour-long webinar will take place on Thursday, February 25, 2021 at 5 am GMT.

A Q&A session with representatives from Protix, Chapul Farms, Nutrition Technologies, Fishtech Company, Ynsect, and Innovafeed will follow panelist presentations.

This event is part of a yearlong webinar series hosted by the F3 Team. The webinars are free and open to everyone. For more information and to register, visit: [f3meeting.com](http://f3meeting.com).
